

# Patient/Physician Cooperatives

Working Together for Affordable  
Health Care

# Welcome to PPC

**Patient/Physician Cooperatives (PPC) provides a range of health care services for an affordable monthly cost!**

**PPC makes health care coverage as easy as 1, 2, 3! Pick your membership plan, select your coverage, and enjoy the benefits.**

# 1. Pick a plan

## Basic

- Pharmacy Discount
- Lab Testing (see website for exclusions)
- Virtual Urgent Care available 24/7
- Doc Wellbee (discounts for dental, vision, hearing, and roadside assistance)
- Patient Advocate

## Concierge

Access to all benefits in the Basic Plan with one of the below options:

- PPC Provider Network  
(primary care physician for \$0 Copay)
- Virtual Provider Services  
(Includes behavioral & specialty services. See website)
- Nominate your current primary care physician
- Health Debit Card

## Concierge Plus

Access to all benefits in Basic & Concierge Plan with:

- Diagnostic Imaging at \$0 cost at participating imaging centers
- Services Include: X-Ray, CT scan, MRI, PET scan, Ultrasounds, and Mammograms

*\*Most Popular Plan*

## Elite

Access to all benefits above with:

- Specialists (services may vary based on specialty group selected)
- Specialists include: Cardiology, Dermatology, Endocrinology, Gastroenterology, Hospitalist, Neurology, Ophthalmology, Pain Management, Physical Therapy, Podiatry, Pulmonology, Rheumatology, Surgery Plastic & Hand, Surgery General & Orthopedic, Urology and Wound Care

## 2. Customize your plan

### Hospital Indemnity Plan

This guaranteed issue hospital plan provides payments for inpatient/outpatient physician care, facility costs, intensive care, skilled nursing, substance abuse, and treatment of mental illness, all without a deductible. *Request Summary of Benefits.*

### Lump Sum Cancer Insurance

Provides a \$25,000 benefit upon the first diagnosis of cancer. This cash benefit is a crucial component of the member's health care plan. It allows recovery to be the sole focus, rather than anxiety and stress over financial worries.

This plan provides an additional \$25,000 benefit for breast cancer and **supports the Susan G. Komen Foundation** for the policy holder. *Request Summary of Benefits.*

### PartnerRe Catastrophic Coverage

PartnerRE stop-loss insurance is catastrophic coverage that covers 100% of medical and hospital expenses at Medicare rates that exceed \$50,000 and up to a maximum of \$5,000,000. *Request Summary of Benefits.*

Plan Pricing can be found at <https://go.getagreatquote.com/ppc-individual-plans>

**Working Together for Affordable Health Care**

# 3. Explore your benefits

- **PPC Provider Network:** allows you to be seen at a \$0 copay, and gives access to virtual provider services.

- **Drex:** provides pharmacy discounts at competitive rates.

- **Patient Advocate:** gives you peace of mind by providing you an advocate to properly guide you through the health care system.

- **Lab Testing:** PPC partners with Clinical Pathology Laboratories (CPL) and Quest Lab testing centers. All PPC plans cover 100% of lab cost. Members choose either CPL or Quest as lab testing center through your PPC plan. Some tests are excluded. *See website for further details.*

- **Virtual Urgent Care:** physicians are available 24/7. This can be used for: Sinus Infections, Urinary Tract Infections, Allergies, Bronchitis, Cold or Flu, and more.

- **Doc Wellbee:** discounts on dental, vision, hearing, and roadside assistance when you use a service provider that accepts this program. *Contact Doc Wellbee for more information.*

- **Healthcare Debit Card (HDC):** If you have chosen a HDC for your PCP, you can pay for you and your family's monthly health care needs such as physician visits and all approved medical services.
